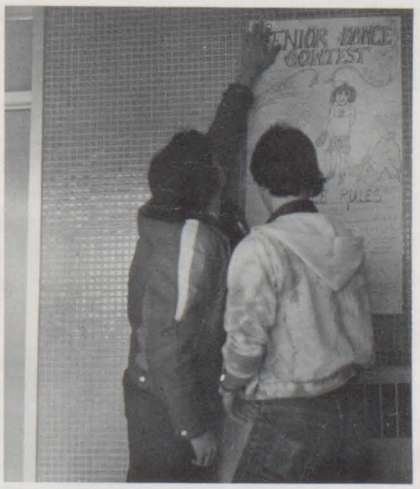
Mr. Nolte, the Senior Class Advisor is shown here as he gives out graduation information to the students. The Senior Class would like to thank him for all the assistance he gave them this year.

BELOW LEFT to RIGHT: showing their spirit, What looks like Gary Jones and Janice Falk at the Prom, is actually the first place winners for "clash day" during Spirit Week. Beth Ramsey gives Keith Vernon the Point at a class meeting, Ron Stamn also tries to get his point accross to Linda Schriber. BELOW LEFT to RIGHT: we see the Unknown Poster Rippers at large. Joan Cheetie and Pam Flexter enjoying a pep assembly.

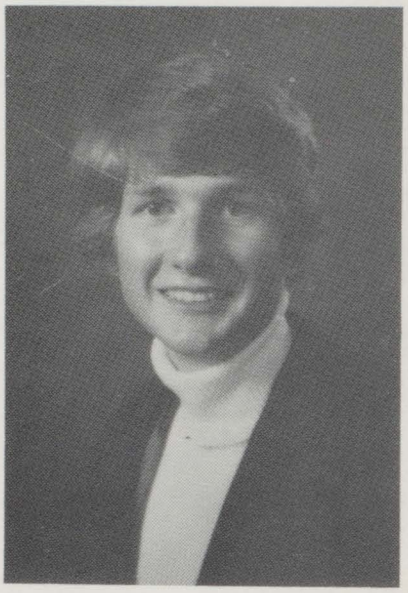


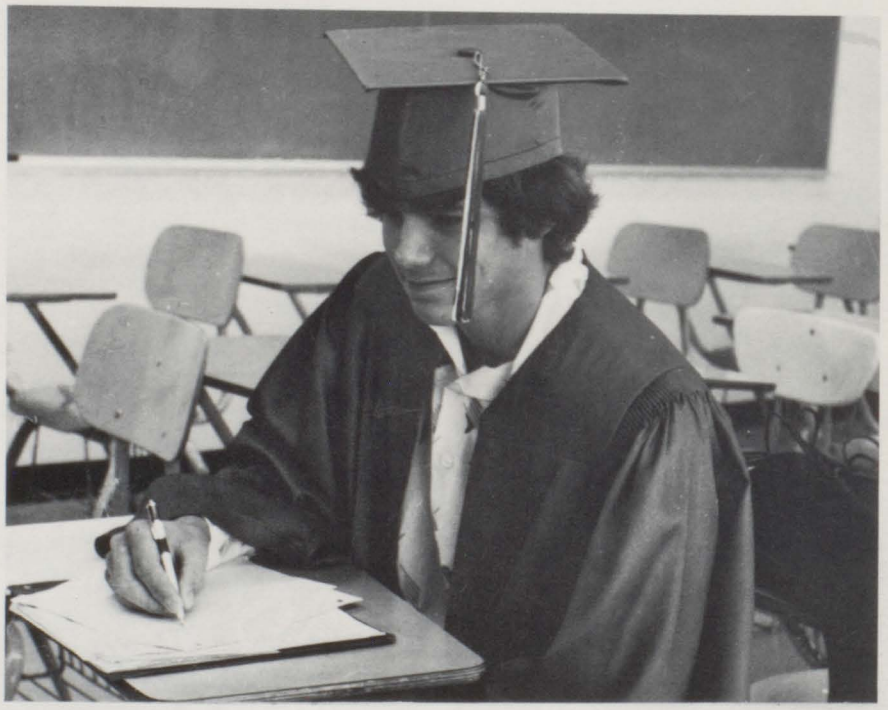
Seniors last activities

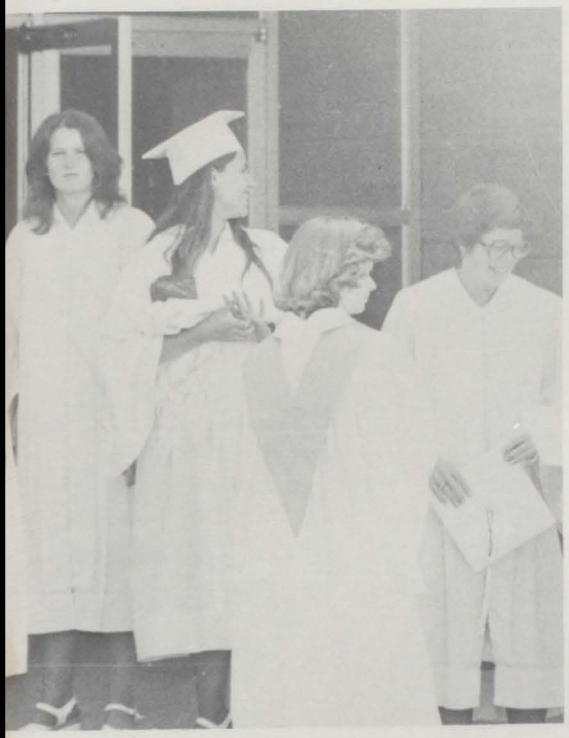
Barb Burns and Steve Swarts are Valedictorian and Salutatorian for the class of 77. They were chosen on the basis of their grade point average at the end of 7 semesters.

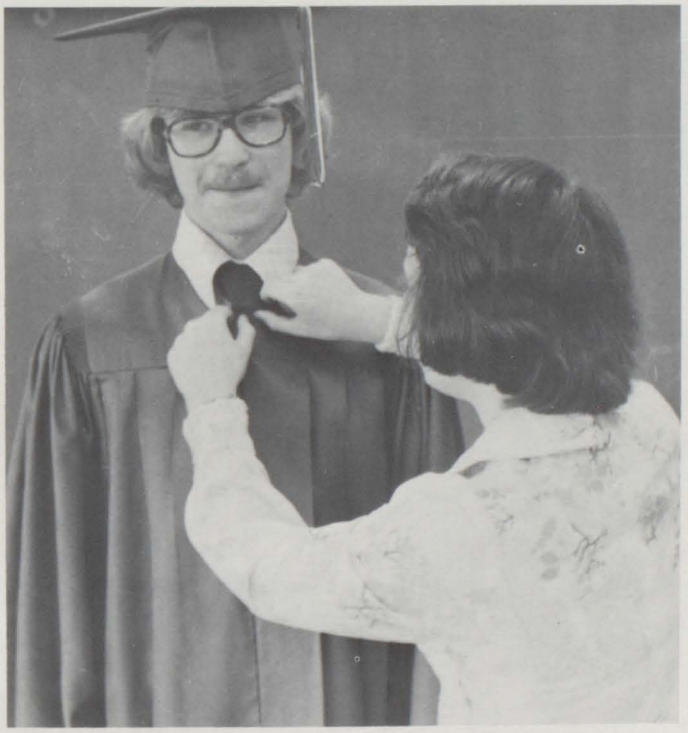
Barb had a 3.9473 grade average. After graduation she plans to attend Judson Baptist College in Illinois.

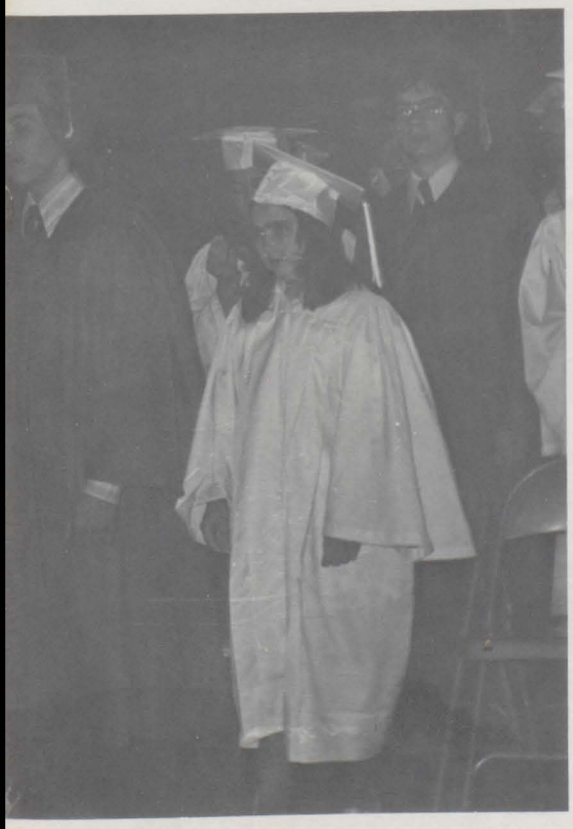
Steve had a 3.8947 grade average. He plans to go to Oakland University or the University of Mich.









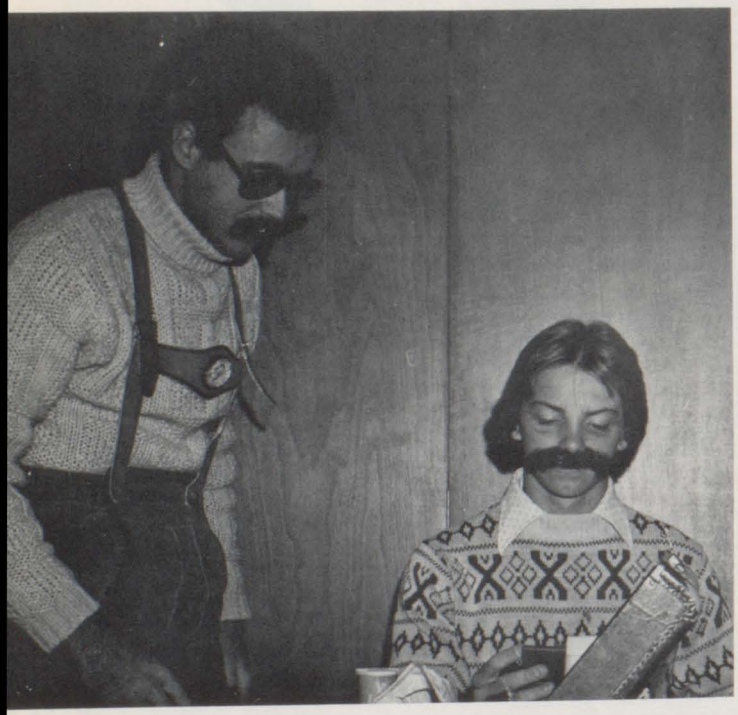


The last dance

Comstock Lode, a band from Ann Arbor, entertained at the 1977 Prom at the Gildwood Inn in Sarnia.

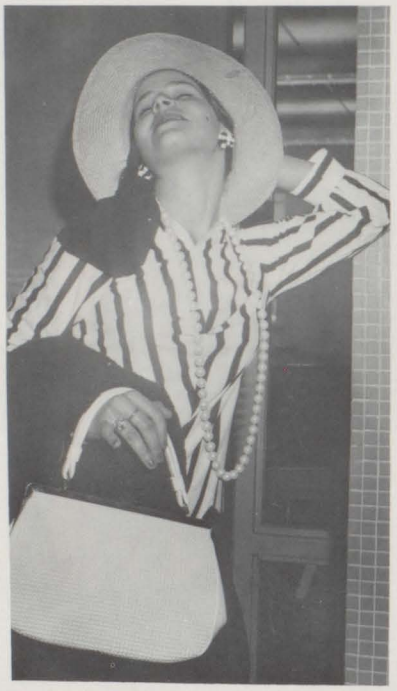
Students had dinner at the Inn before the prom started. Todd Willard sang, "Hold on to me", a song he composed himself for the Senior Class.

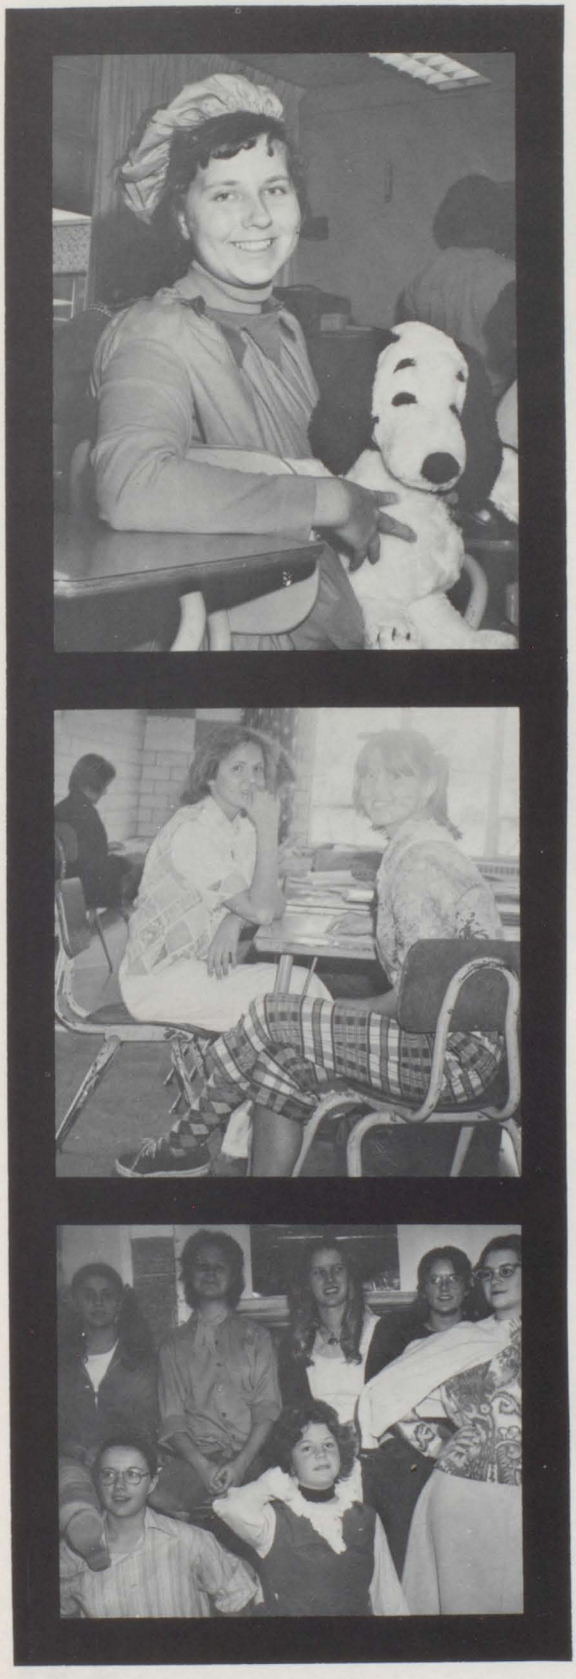
ACTIVITIES



Once upon a time . . .

Spirit week





This year Spirit Week activities started out with pagama day, T.V.Hero day, hairdo day, clash day and yesteryear day. New ideas helped bring out school spirit in everyone, including the many appearances of Central's superhero, "Captain Spirit". The Student Council gave away free blue and white ice cream, balloons, candy bars and suckers. The Seniors won the Field Day Events at the end of the week, including the tug-of-war, tricycle race, and the refrigerator box race.

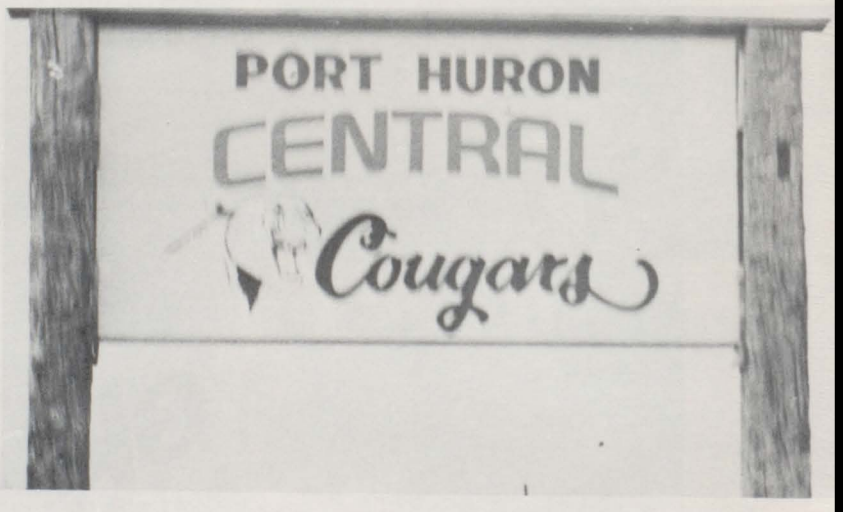
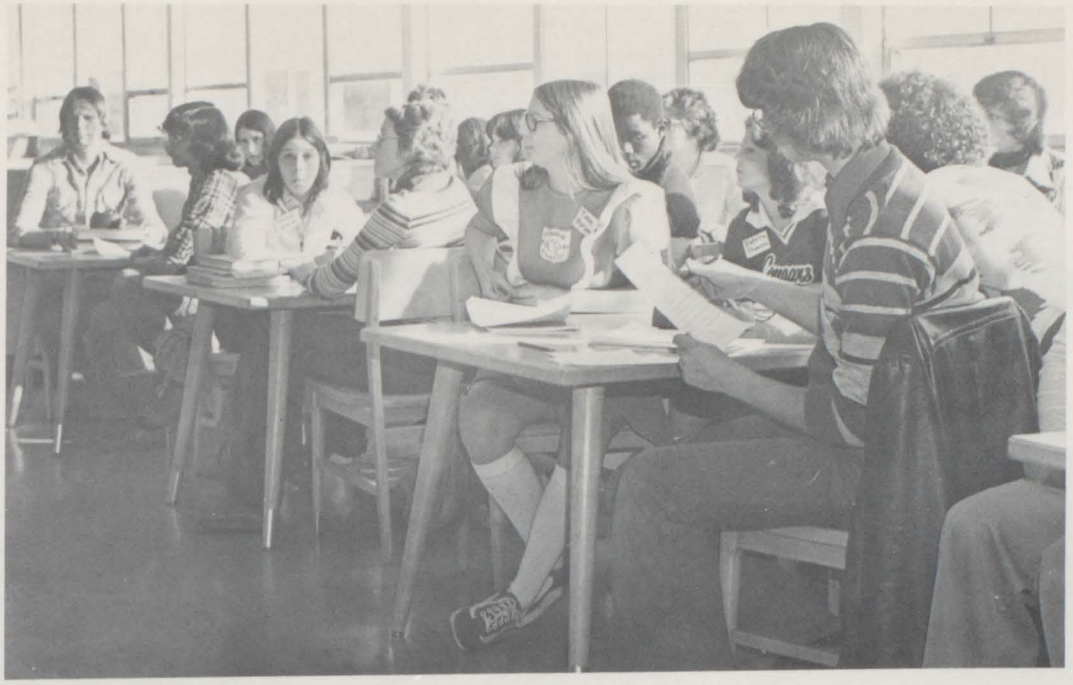
MIDDLE ROW: Anna White, Denise Suchin, Koni Kilbourn, Cindy Fuller, Beth Ramsey, Joan Cheedie. FRONT ROW: Sandra Nalepa, Vicki Dolan, Fran Katrinic. To the LEFT is part of the Senior Wall.

This year's homecoming was the best attended in all of Centrals years. Approximately 700 people helped make the event a success. New ideas were tried this year including inviting all the alumni and having the band on the floor instead of on the stage. This was done to make requestes easier. Our queen this year was Beth Ramsey and on her court were Denise Suchin, Vicky Dolan, and Sandy Nalepa.

Student Council works thru another eventful year

This year's Student Council members had their hands full with the biggest homecoming and spirit week in the history of Central. The first school flag was designed, a Cougar mascot was created, a film of "Life at Central" was produced, new curtains were installed, a light and sound booth was installed, two "Gong Show" assemblies were presented, and most importantly, an extremely exciting spirit week was organized. This included guest appearances throughout the week of "Captain Spirit." In addition, the Student Council helped with the magazine and record sale, various assemblies, the German Exchange program, the blood drive, and many other events.





First semester officers were Ray Ulrich, President; Todd Willard, Pres-Elect; Beth Ramsey, Secretary; and Stacie MacDuff, Treasurer.

Second semester officers were Todd Willard, President; Dave Vass, Pres-Elect; Joan Moser, Secretary; and Dave Dazer, Treasurer.

German exchange students receive willkommen

Port Huron Central's German Exchange Club members hosted the foreign students who arrived on March 20, 1977 for three weeks. The foreign exchange students stayed in homes with Central students, and also attended classes here, to learn more about America's way of living.

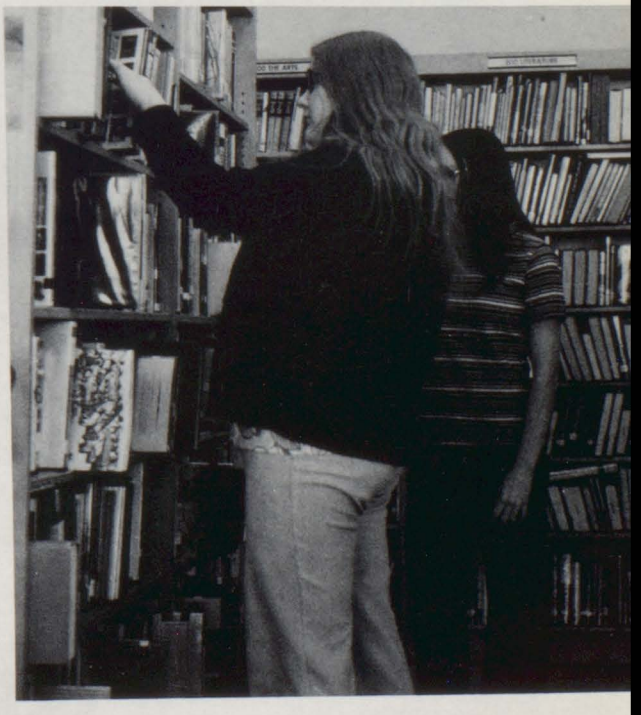
A trip to Greenfield Village showed them some history of the United States.

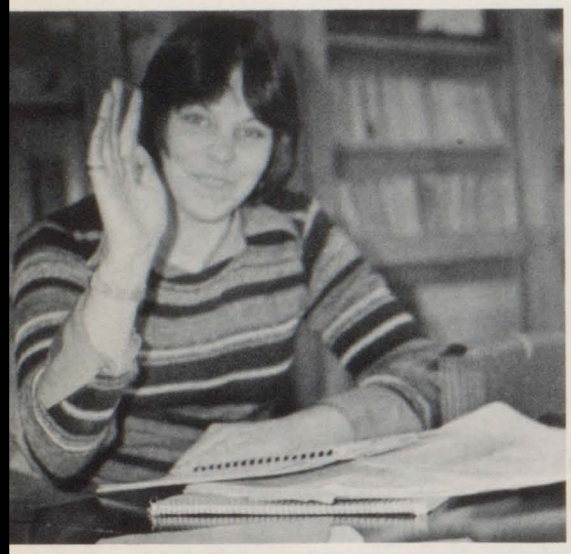
The members of Central's German Exchange Club planned their trip to Hilden, Germany on June 13, and they returned on July 7th. They planned to learn about their new surroundings the same way as the foreign exchange students learned about our country.

Library:
Reference hall of Central

Some students at Port Huron Central wonder how to become an assistant. If you have a study hall you may volunteer your time to the library. The work you do as an assistant is clean shelves, shelf books and check out books. The assistants this year are: Linda Arnold, Debbie Bucheister, Gwen McMillan, Judi Meyer, Doreen Smith, Edna Smith, Joe Smith, Shirley Smith and Teresa Sweeny. The Librarian is Mrs. Marianne Lyszak.

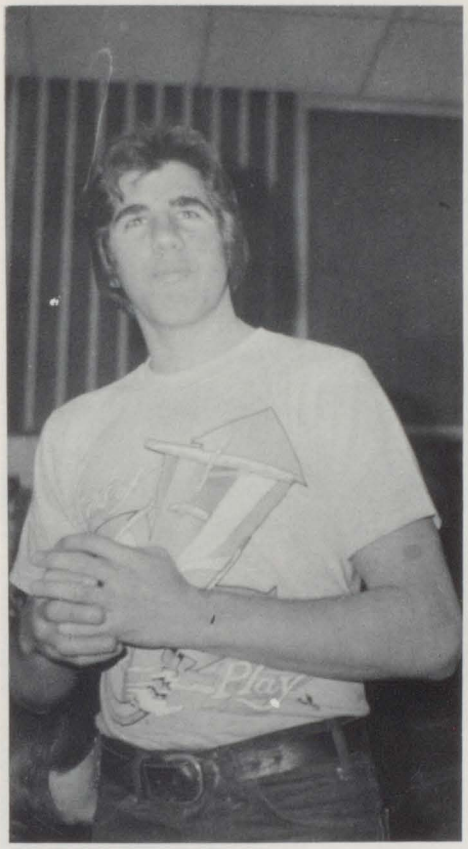
Not only may you become an assistant but you may work in the A.V.Room. What those workers do is take the equipment to rooms, pick them up at the end of the day. They also help with any problems the teachers have with the machines. The people who work in the A.V.Room are: Steve Cote, Keith Vernon, Max Marsh. Their help is greatly appreciated by everyone.



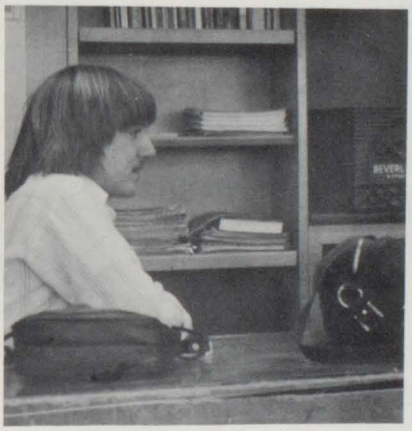


BOTTOM ROW LEFT TO RIGHT: Barb Kovach, Scott Renno, Holly Nielsen, Nancy Hodgins, Brian Moran, Kim Haynes, Lynn Wypych, and Renee Daggett. STANDING LEFT TO RIGHT: Colleen Crimmins, Rhonda Papst, Cathy Crimmins, Janice Falk, Todd Willard, Dave Berra, and Sue Borgerson.

Yearbook records memories



Yearbook class tried something new this year. It's called the "Complete Yearbook". This means there will be eight extra pages in our yearbook. These pages will be devoted to covering all the events that haven't been included in past yearbooks... spring sports and all senior activities. The yearbook will be delivered at Homecoming of 1978. The yearbook was printed by Josten's American Yearbook Co. Our advisor this year was Miss Mary VanDerZanden. Editor-in-chief was Rhonda Papst.



Newspaper reports ideas of interest

This is how the class looks most of the time because the students are usually out getting information for the next issue of the Cougar Chronicle.

Members of the Newspaper class include: Dawn Arnold, Denise Cesefske, Gary Cesefske, Susan Cesefske, Vicky Dolan, Kirk Gall, Kathy Gillett, Tina Kerstens, Becky Moses, Sandy Nalepa, Jeff Perkins, Chris Relken, Jackie Schoof, Linda Schreiber, Shirley Smith, Karen Vought, and Kristy Jo Young.

The Journalism class got off to a slow start this year, but improved as the year went on. They published an issue once a month. The class tried some new ideas for making the paper better, such as having a literary page which is filled entirely with student's creative poems and short stories.

The Royalettes are a group made up of 15 girls, sponsored by Ms. Kempker. They perform during half time and at all home football and basketball games. They promote spirit in and outside of school.

Each year they participate in state competition in Rochester, Michigan. Every summer the Royalettes' executive board attend a drill team clinic sponsored by a National Drill Team Association. At this clinic, they learn a variety of routines which are later taught to the entire group.

This year they raised enough money to buy new shoes, coats and outfits. They also got new emblems.

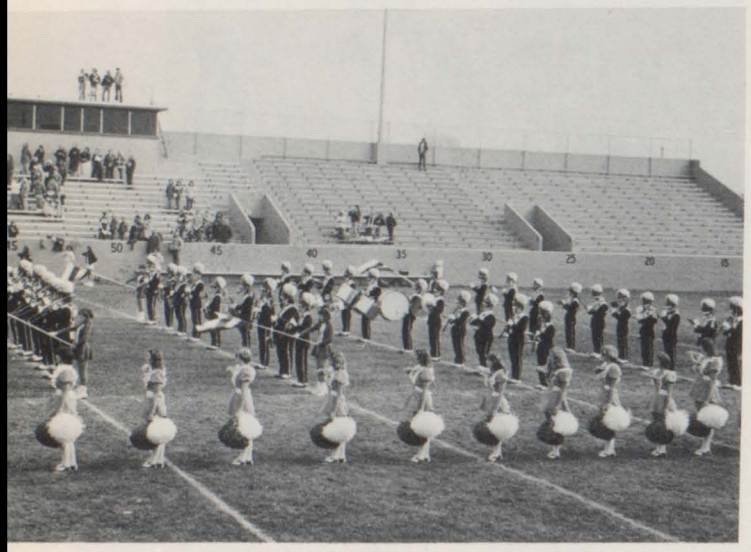
Honors Band: Instrumental inspiration



The Marching Cougars consist of the Honors Band and the Flag Cadets. This season they marched in the PHC home football games, the homecoming parade, the Blossom Festival Parade in Niagara Falls, Ontario, and the Blue Water Festival Parade held in July.

The Honors Band is made up of 45 students in the tenth through twelth grades. They act as four bands in one. They are a field marching band during football season, a Pep band during basketball season, a concert band in the winter, and a marching band for parades in the spring. The Honors band performed two concerts this season consisting of a Christmas concert and a Spring Cabaret. They also perform by request for the United Way and other community functions throughout the year. To raise money they sold popcorn, candy bars and held a Play-a-thon. The band ends the school year by providing music for graduation.

Some students went to the Solo and Ensemble Festival. They are evaluated on a 1-5 scale. Kim Hartman and Jan Oveson received 1's and proceded on to the State Division.

After the parade there was a dance for the parade participants in the Panasonic Tower.

N.H.S. steers for future

The National Honor Society is an organization which selects its members on the basis of character, scholarship, leadership, and service. To be eligible for membership a student must have at least a B average. This year, members sold refreshments during exams and ushered parents at the February open house. Money earned during the year is used for scholarships and grants for graduation seniors. Induction ceremonies for new members were held in the spring.

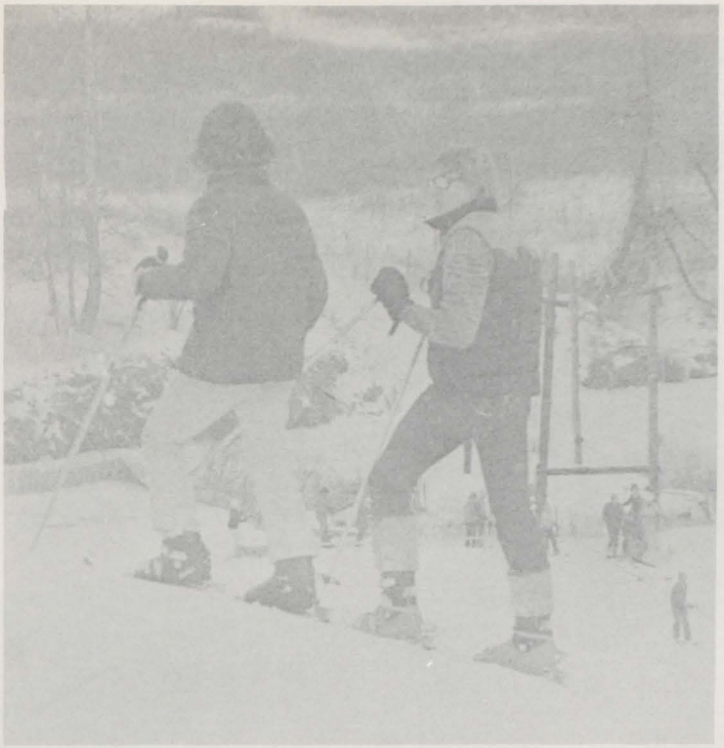
Lots of snow for the PHC Ski Club

The Central Ski Club had a slow year. Because of lack of organization the ski club was limited to skiing at Black Forest. The ski club sold tickets to a ski day at Black Forest and is planning to use the money towards trips to be planned next year. The ski club is hoping this will cut the cost which each individual will have to pay for the trips. The ski club advisor was Mr. Nolte.



SKI SAFELY

Debate and Forensics perfect public speaking

The Debate Club got a late start this year because their new coach, Mrs. Young, was hired six weeks after school started.

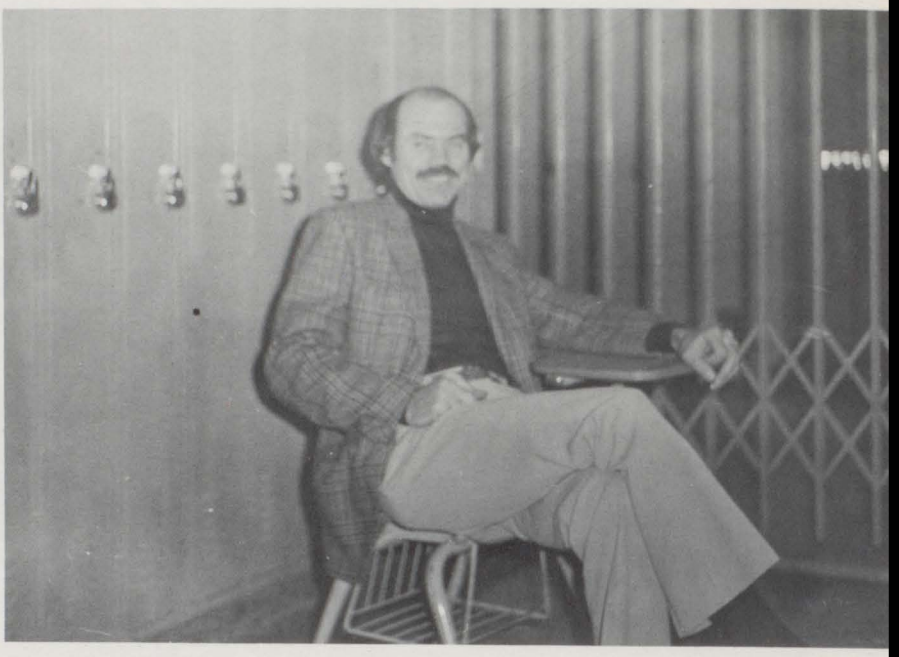
PHC belongs to the Southern Thumb Debate League. Schools included in this League are: Sandusky, Cass City, Bad Axe, Capac, Caro, Deckerville, Frankenmuth, and Richmond.

For the entire year of 1976, colleges and high schools through out the nation debate one topic.

LEFT TO RIGHT: Cheryl White, Tim Linehan, Coach Mary Young. BOTTOM ROW: Joan Chidester, and Rosa Ward.

At Forensics, students learn to compete with others in understanding the art of public speaking. There are certain categories that the students may compete in. They are: extemporaneous, humorous, serious and multiple readings. The students can also do orations and story telling. All the high schools in Michigan compete against each other reading or reciting their selections.

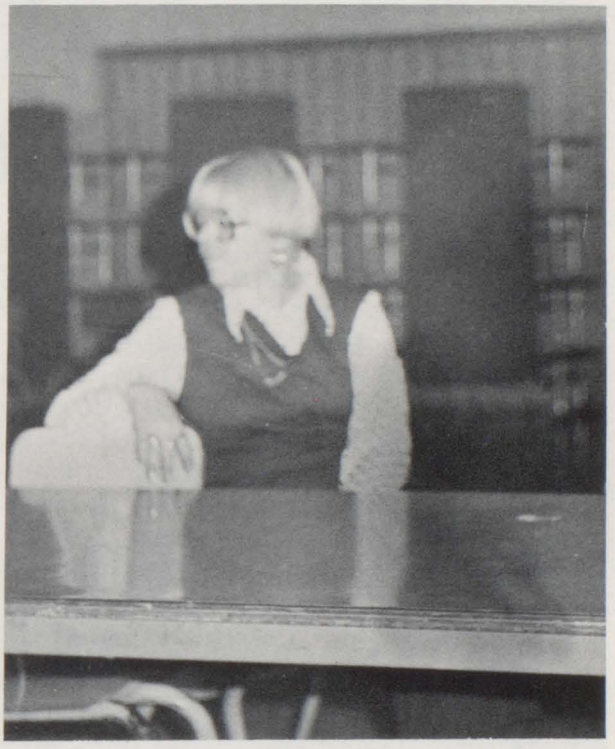
Timettes encourage Track Team



The Timettes, sponsored by Mr. Spiess, helped the boy's track team by keeping times, recording scores, and managing the track meets. They also sold programs and raffled cakes at basketball games to raise money for equipment and entry fees for state meets. This year's officers were: Pres., Colleen Crimmins, V. Pres., Mary Driggers, Sec., Denise Suchin, and Tres.. Janice Falk.

STANDING LEFT TO RIGHT: Barb Oke, Colleen Crimmins, Janice Falk. BOTTOM ROW LEFT TO RIGHT: Lorraine McBean, Debbie Johnston, and Kim Hartman.

Booster Club boosts spirit



The Booster Club, with their president Ms. Jan Kempker, strived to make Central a better place for our students. They sold popcorn at sports events, and with the money they earned, they bought the weight machine, made sports calendars, helped to pay for the new cougar costume, and other much appreciated items.

Co-op works for students

The co-op program gives students a better understanding of the business world and also gives the student a chance to earn wages. The co-op program is divided into three categories: Distributive Education, Office Education, and Trade and Industry. Students that are involved in the co-op program receive one credit for each semester.

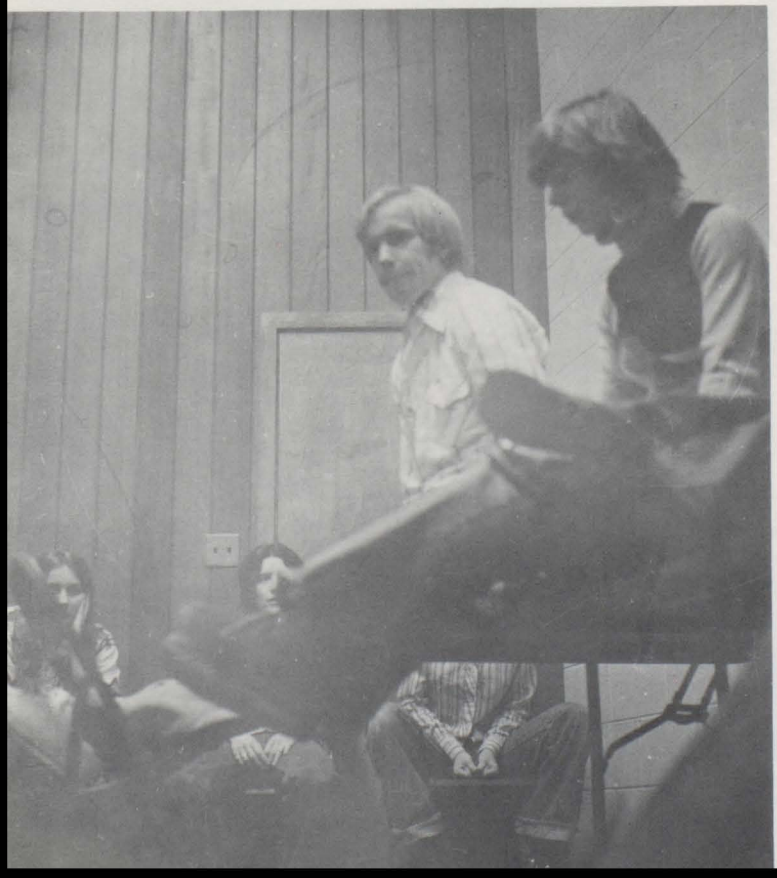
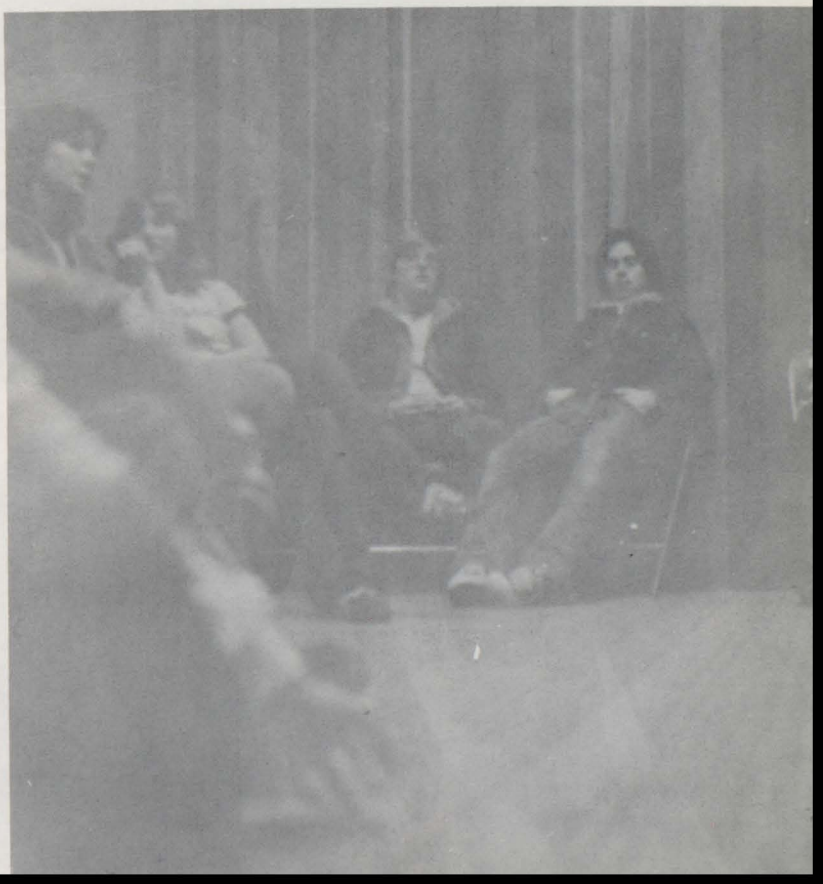
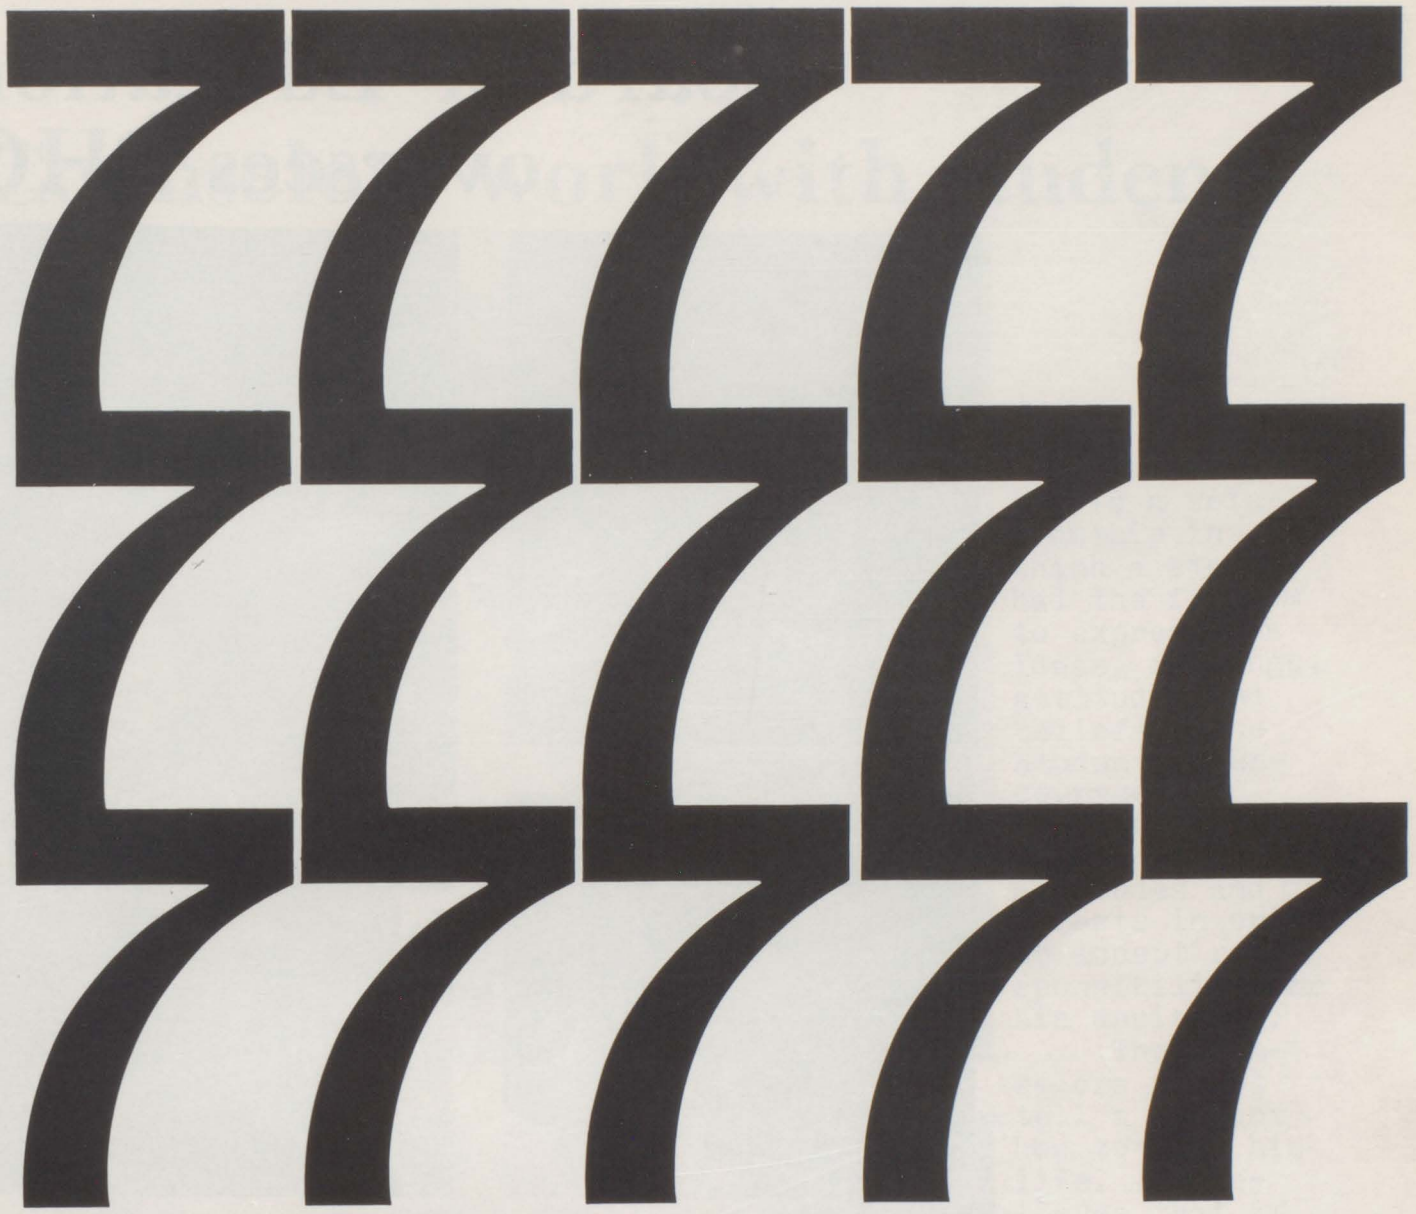
Campus Life is more than...

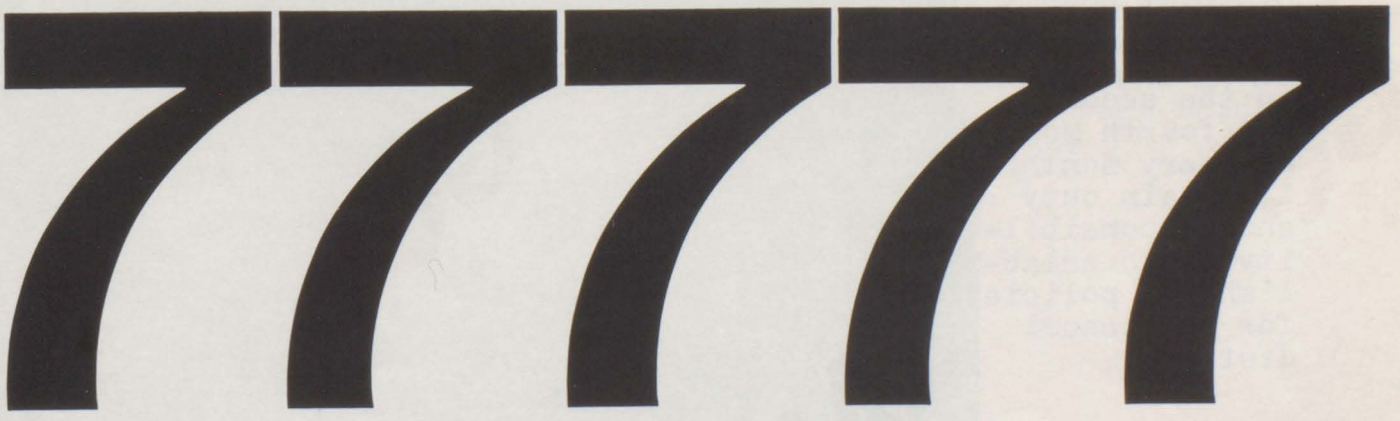
Campus Life is fun with Scream in the Dark, Ice Cream Olympics, all night parties and a lot more. Campus Life is more than just a party or a bike trip, it's people who are really interested in you. They've been where you are and they care what happens to you. At Campus Life Clubs exciting things come out, like the electric chair or some other item to make the evening exciting. Campus Life is to be checked out by you. Not because of what you've heard. But only because a first hand experience will make you know it was worth the time you spent.



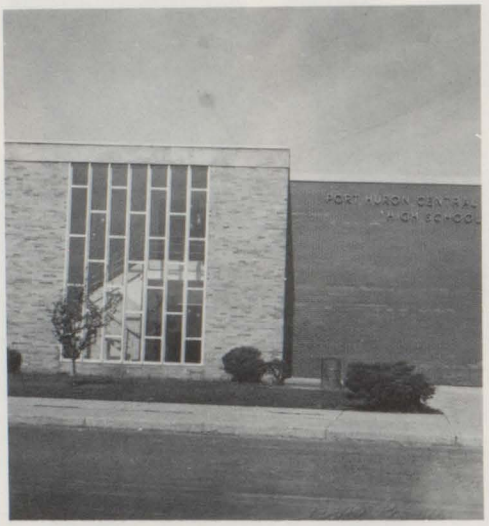




FACULTY

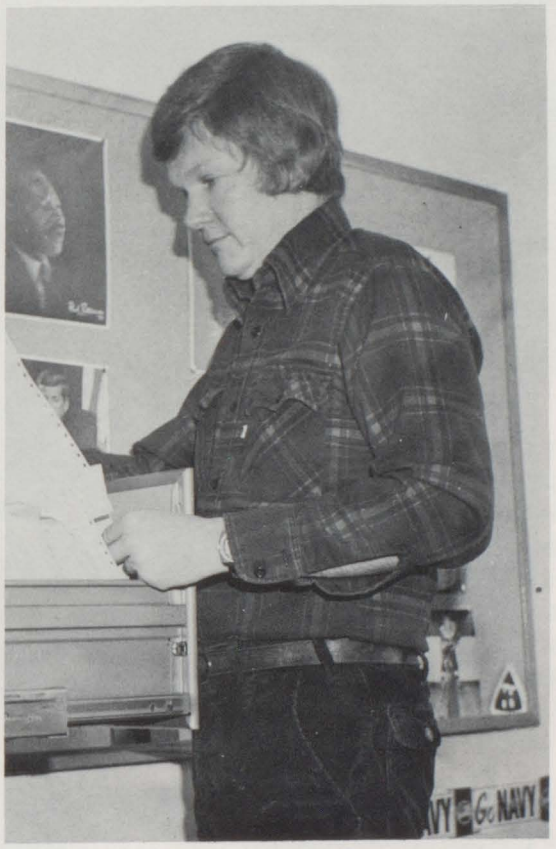


Board of Education oversees PHC



Port Huron Central's School District Board of Education meets regularly on the second and fourth Monday of every month. It's main duty and responsibility is to establish all policies for the school district.

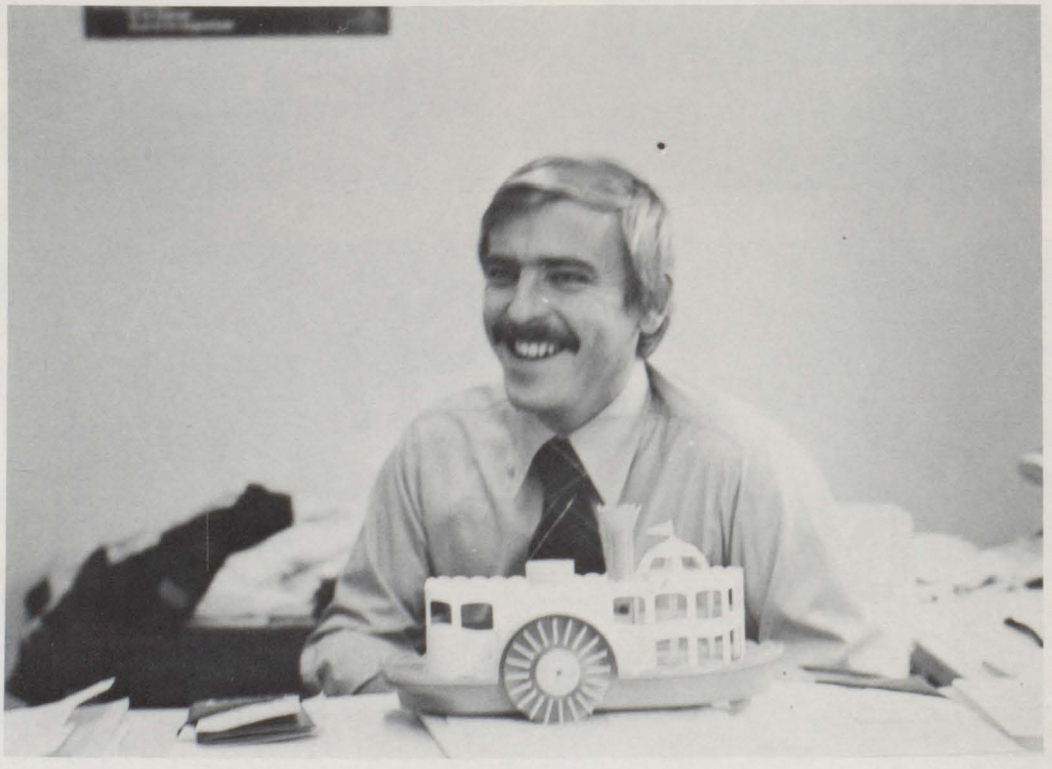
Counselors work with students

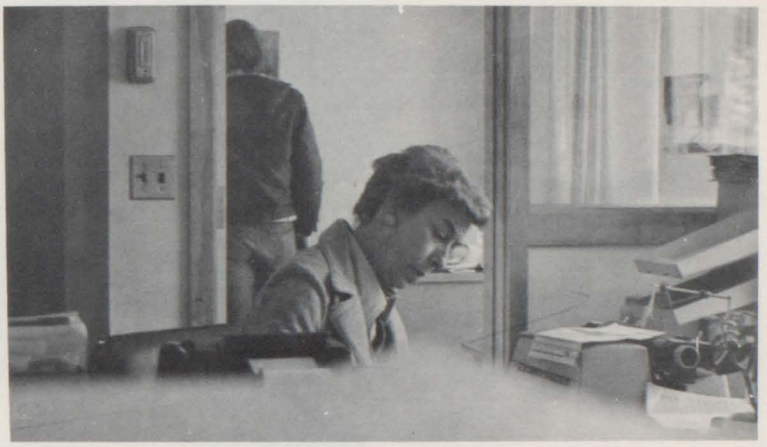


Counseling is a relationship in which a student had the freedom to express his ideas, feelings, attitudes and beliefs. The student is encouraged and assisted in understanding his attitudes and interests in order to accept responsibility for his decisions.

The Counselors do not tell a student how to live his life. He believes that if a student gains enough understanding of himself and his problems, he will make the decisions in his own best interest.

Principals and Secretaries keep Central going





Mr. Pierce remained busy throughout the year working on the Task Force for our county and working on student dicipline procedures at Central. He was president-elect for the 5th Region of the Michigan Association of Secondary School Principals.

Other accomplishments for the year were the Green House, new curtains for the stage, and a new spot light.

Mr. Goldsworthy, as usual was kept busy by students who failed to comply with school rules. A new diciplinary report form was introduced to help teachers follow-up on students who require diciplinary action. Also new was a form mailed to parents to report excessive tardiness and a fill-in-the-blank form for other problems.

Mrs. Rose, Mr. Pierce's new secretary, enjoyed her first year. She likes the students and faculty and enjoys working with them.

Mrs. Willard, is Mr. Goldsworthy's secretary. She also takes care of the money for the school.

Mrs. Whitford takes care of daily attendance to make sure everyone is where they are supposed to be.

Beth Ramsey and Denise Suchin are student office workers.

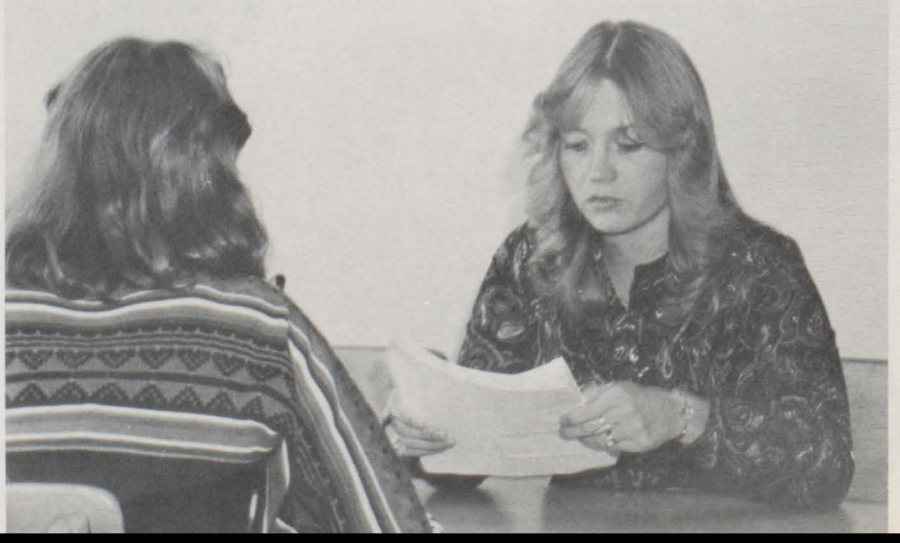
English Teachers accomplish goals

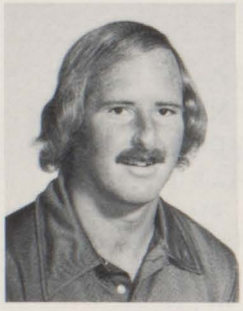
Within the English Department individual teachers have goals which they try to accomplish in their classes. Mr. Nolte's goal is to "Teach students to teach themselves, because you are what you learn." Mrs. Whitaker and Miss VanDerZanden have the same goal, to teach grammar for effective communication with the outer world. TOP TO BOTTOM: Mr. Nolte, Miss VanDerZanden, and Mrs. Whitaker.

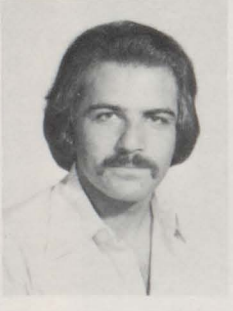


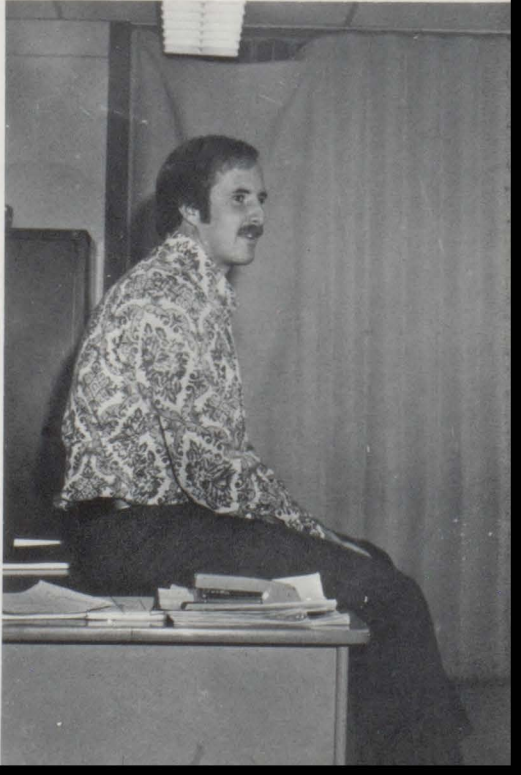
Science happens at Central

Mr. Christick's goal is to give students a wide view of biology and try to spark the students interest in science. Mr. Feick teaches two types of sciences. In health science his goal is to teach students how to protect their bodies. In physical science his goal is to teach students the physical laws of nature. Mr. Nesbitt's goal in chemistry is to make students more aware of natural phenomenon in our environment. He also teaches Physics. Mr. Spiess tries to get students interested in learning before graduation. He also stresses the importance of getting work done on time, accepting responsibility, and just getting along with fellow classmates. TOP TO BOTTOM: Mr. Christick, Mr. Feick, Mr. Spiess, and Mr. Nesbitt with student.

Students watch '76 Elections become history







This year during the presidential election, Mr. Koerber's government classes studied the elections and how they work. Mrs. Eastman and Mr. Claseman teach the students about the past and how it relates to the present. Mr. Meeker wants to teach the students about the local, state, and national level of government, while Mr. Popa's class is also studing government and it's effects on the world. Mr. Dickinson shows students how to invest in stock and the students in the class even had an opportunity to do so. In Mr. Young's class the students became aware of everyday problems that people face. Mr. Rutkofske is teaching the values of history in our world today.

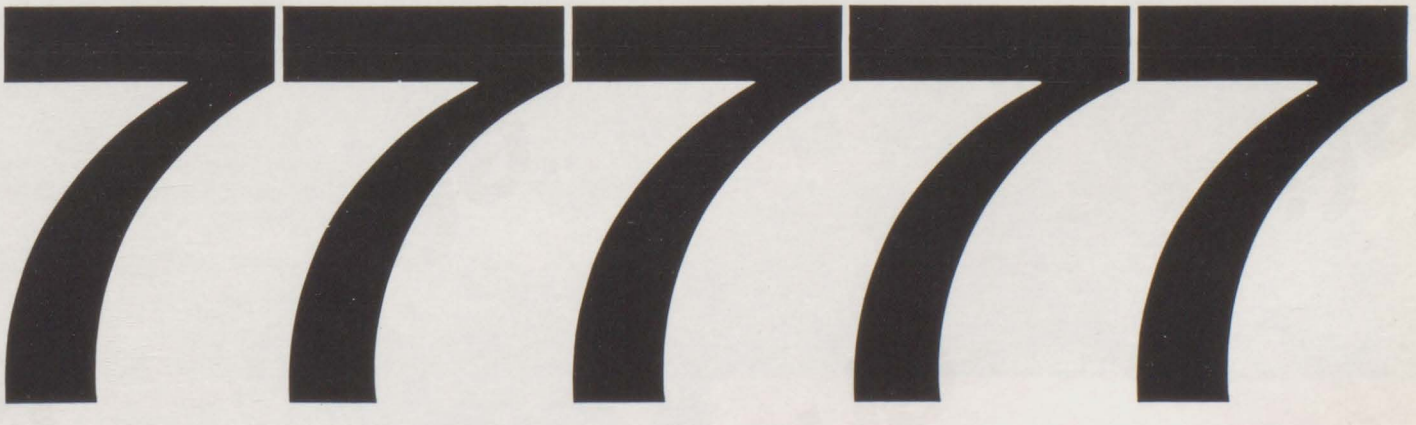
SPORTS



Cougars keep their heads up

Central's Varsity Football team suffered a discouraging season in 1976 due to the cancellation of funds for several area teams. Central was forced to play against non-league opponents because three league schools discontinued their sports programs. Although Central's home games were well attended their two victories were confined to away games.

The 1976 PHC Junior Varsity football team was one plagued with "ups and downs". The season was marked by many fine individual performances but inconsistancy kept the young team from meeting its goal.

They earned a 5 and 3 record, but most important was the experienced gained by each player and the desire to lead the varsity football program to its 1st league championship.

Freshmen off to a good start

The 9th grade Cougar football team had its usual slow start, but finished strong - resulting in a 5 win - 2 loss record.

Again, a large squad of some 50 boys reported in August, and after practicing three drills they finally opened the season against Marysville.

Freshman Football Coaches: Irving Claseman and John Heering.

Cross Country strives for number one

According to Mr. Spiess, the requirements for being on the Cross Country team are: speed and determination. This year's cross-country team was led by Steve Swartz and Buddy Sutherland. Central had a successful year in 1976 with the exception of loosing the S.C.A.L.

The Girl's Varsity Basketball Team faced a rough season, with 4 wins and 11 losses. They really battled to keep their team spirit and togetherness. After the league win of 2 and a loss of 8, they went to the tournaments to beat St. Clair, then went on to be defeated by Lanse Cruz. Although they were defeated they were proud of their 1st win, being the First Girl's varsity team to go to the districts.

The team held their 3rd annual bounce-a-thon. They kept the ball bouncing for 24 hours. The Student Council supplied hot chocolate and doughnuts at midnight.

J.V. Girls improve with season

The girls improved throughout the season. The score was close in every game and their record could have easily been turned around. The girls played solid ball the last 3 out of 5 games. Julie Armstrong and Leslie Faulkner were co-captains and Monica Williams was elected the most Valuable Player.

Frosh Cheerleaders get late start

The Freshman Cheerleaders got a late start this year because of a lack of a sponsor. They missed all of the Football season and didn't get started until the basketball season when Mr. Heering became their sponsor. On the picture to the LEFT, TOP ROW, LEFT TO RIGHT: Barb Cummings, Becky Buss, Amy Sheffer, and Jacky Hill. MIDDLE ROW: Cindy Crison and Kim Conklin. FRONT ROW: Cheryl Hathaway and Julie Tocco

The Varsity Basketball team spent the season rebuilding after losing six seniors to graduation. Though the team had good height and quick guards, inexperience prooved to be their downfall. The teams attitude was good throughout the season, despite a losing record. Five players on the team received awards at the Spring Banquet. From LEFT TO RIGHT: Leonard Mattox, 1st team SCAL, and Team Captain. Keith Vernon, Oil Can Award. Chuck Mills, Most Improved and Buddy Sutherland, SCAL Sportsmanship Award.

The Wrestlers had a rough season as far as gaining victories was concerned, yet the experience the young grapplers gained was more important. Of the twenty-three JV and Varsity letter winners, twenty-one will be coming back next year.

Dale Moses and Tony Castillo were SCAL champions in their weight classes. They were also Regional qualifiers and Dale qualified for the State Finals.

The JV's took third place in their League meet. This is the best rating on any JV team in the past.

Varsity Cheerleaders are

cornerstones of school spirit

The Varsity Cheerleaders act as an inspiration to others. They promote spirit in many ways by teaching cheers to students, leading them in calls and in songs, and help putting on Pep Assemblies. This years Varsity Cheerleaders were: Barb Kovach, Tammy Randolph, Karen Maxfield, Ann Reynolds, with alternates: Judy Sams, Tracy Lambert, Renee Dagget, and Kim Artman. The Captains for the team were: Fran Katrinic, during Fall sports and Miriam Haeck during Winter sports. The Co-Captains were: Tammy Randolph and Fran Katrinic.

Barb Kovach leads fellow Juniors in the Pep ball cheer.

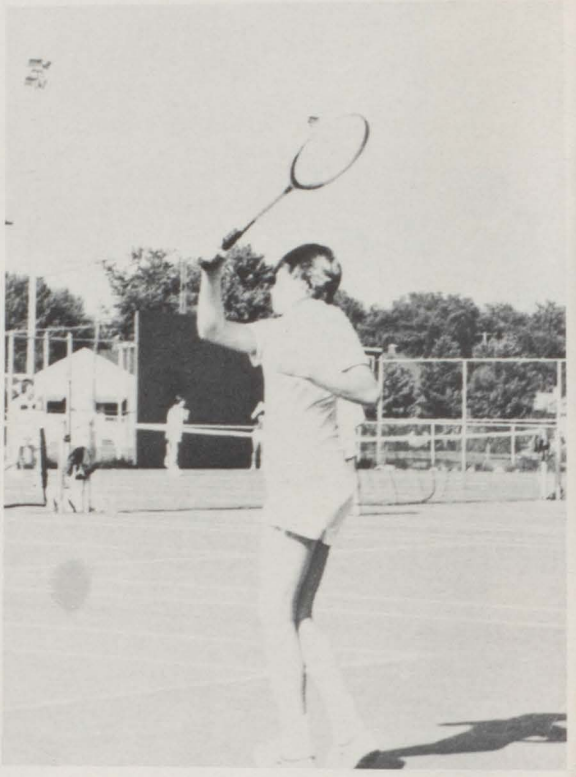
The Cougar Track Team extended its unbeaten dual meet record to 18.

Mike Sanford set a new school record in the half-mile at 2:02 minutes and was an outstanding high Jumper-quarter-mile for a freshman. Steve Swarts set new records in the 2 mile and mile runs as he closed out his career at Central as the best distance runner in the school's history. Wilbert Roland climaxed the year by winning the 100 yard dash and finishing 2nd in the 220 yard dash at the State Finals. In addition Wilbert set new school records in the 100 and 220 yard dashes.

Tennis Anyone?



The 1977 Cougar Tennis Team was one marked by youth and inexperience. With only one returning senior, Central "took its lumps" throughout the season winning only one match. Despite the rather dismal season, the Cougars improved week after week and its efforts were rewarded as PHC's 2nd and 3rd doubles were crowned regional Champions at Lapeer West Class "B" tournament May 20th. Central's team narrowly missed a trip to the State Tennis Finals by a one point margin. The future looks bright as PHC will sport more than 10 returning letterman for the 1978 season.
